CHOICES

BY KORIN I. DUSHAYL

**Must Linda's sexual awakening
destroy her marriage?**

From fairy tales to modern legal tradition, society demands we love exclusively, even though many only find happiness with multiple partners. Linda finally confronts long neglected sexual needs when Phil forces himself on her in Chicago. But back in Portland, her husband's insistence on monogamy compels her to choose between his limitations and her own insatiable desires.

Korin Dushayl's work "unfolds with the assured touch of a best-selling mainstream author, seducing us into the lives of people with needs and agendas that find wings in the dark."
