**BROKEN** -- Given a choice between slavery and ostracization, Jessica chooses to kneel naked before her department head so she can continue studying for her PhD in psychology. That decision takes her down a dark path to abuse, exploitation, and torment of both her body and her spirit. Some things can never be fixed.

Korin Dushayl "writes with authority and compassion about those who live within the lifestyle. Broken and Shattered explore issues including finding and initiating a submissive partner, informed consent, and the difference between dominating someone and exploiting their needs."

Elizabeth Coldwell  
author, anthologist, magazine editor

**SHATTERED** -- When a sweet, intelligent twenty-five year old with undiagnosed Asperger and PTSD seeks help from a ruthless, unscrupulous, sadistic therapist, she shatters his psyche and throws him into a suicidal depression. Her crude attempt to pick up the pieces -- enslaving him and subjecting him to unethical, unsanctioned, experiments -- ignores the lines of consent and the responsibilities of a Dominant. Just where does one cross the point of no return? -- Inspired by a true story. Just where do you cross the point of no return?

"The work ... unfolds with the assured touch of a bestselling mainstream author, seducing us into the lives of people with needs and agendas that find wings in the dark. Only an author familiar with this landscape could peel back these layers of psychological complexity without flinching and without dramatic compromise ... Prepare to submit to this reading experience, which will mark you with its narrative power.

Larry Brooks, USA Today bestselling author of  
*Darkness Bound* and *Bait and Switch*
